

The finest Roman religious spa in northern Europe lies beneath your feet in the centre of Bath. We are also fortunate that the world-renowned Fashion Museum is housed in Bath's Assembly Rooms, ten minutes walk from the city centre. The Council also runs the Victoria Art Gallery, situated next to Pulteney Bridge, which has an exceptionally fine collection of art on display (free admission to everyone) and an innovative exhibition programme.

The two museums and the Victoria Art Gallery are run by Bath and North East Somerset Council for the benefit of everyone.

Three Year Season Ticket

With so much to see and do as well as an ever-changing programme of events, displays and exhibitions, you will want to visit the Roman Baths, Fashion Museum and Victoria Art Gallery time and time again.

And with one of our season tickets, you can come as often as you like for three years.

Alternatively, why not purchase a family season ticket which will enable you to bring your family along each time you visit?

The season ticket costs less than three single admissions to the Roman Baths. Prices are displayed at the Roman Baths entrance and on our website, or telephone 01225 477785 for details.

Both tickets are perfect if you live in the region or even if you live elsewhere and visit Bath regularly. If you are a resident of the Bath and North East Somerset Council area, a Resident's Discovery Card is more appropriate for you.
